English

Key Text: Escape from Pompeii and Volcano non-fiction texts. **Purpose for writing:** Letter from a story character and a Non-chronological report.

Writing:

Children will learn to write a letter from a story character linked to our key text and informed by their knowledge gained in our Geography. Children will learn the structure for writing a non-chronological report linked to our geography topic of Volcanoes and Earthquakes.

Grammar: Children will learn to use adjectives, questions, past tense verbs, plurals and adverbs.

Reading Detectives / Comprehension:

Children will focus on making visualisation's, connections and wonderings alongside language exploration and making deductions from our focus text.

Geography

Focus: Volcanoes and Earthquakes—What makes the earth angry?

Children will build on their knowledge of the equator and the continents. They will continue to recognise human and physical features.

They will locate countries by using their knowledge of longitude and latitude, identifying the location of significant volcanoes and previous earthquakes around the globe. Pupils will learn about how volcanoes are formed and how they erupt in different ways. They will learn why earthquakes happen and the consequences of the quake.

Art

Focus: Printing

The children will explore painting with rollers, bock printing and string relief printing. They will explore the artist Henri Matisse.

Topic Name - What makes the earth angry?

Class Jamila

Year 3: Spring 1

Computing

Focus:

Purple Mash—Online safety and databases.

Focus: Too much selfie isn't healthy.

Maths

Key Facts:

Multiplication and division facts for 2,5,10 times tables.

Multiplication and division facts for 3,4 and 8 times tables.

Quick fire number bonds to 10 and 20.

Multiplication and Division:

Children will continue to work on their knowledge of multiplication and division from Year 2 and last term.

To multiply 2 digits by 1 digit.

To divide 2 digits by 1 digit.

To divide with remainders.

Measurement—money:

Children will build on their knowledge of pounds and pence from Year 2.

To add and subtract money.

To convert pounds to pence.

Statistics

Children will build on their knowledge of tally charts and pictograms from Year 2. To interpret bar charts and tables.

(Please see our Calculation Progression document on our website for Addition and Subtraction strategies.)

Science

Chemistry: Rocks and Soils

Children will build on their knowledge on materials from KS1. They will compare and group together different kinds of rocks on the basis of their appearance and simple physical properties. They will describe in simple terms how fossils are formed when things that have lived are trapped within rock and they will recognise that soils are made from rocks and organic matter.

Working Scientifically:

The children will learn how to make systematic and careful observation. They will learn how to set up simple comparative and fair tests. Pupils will learn how to gather and record data' information to answer a question in a fair test/research activity. They will learn to use result to draw simple conclusions.

RE

Focus: Non – Christian Religion

What does it mean to be a Hindu in Britain today?

French

Focus:

The children will learn classroom commands and colours.
