

Braunston CE Primary School

Snow and Bad Weather Policy

Overview:

The school will make every attempt to stay open. However, in severe weather when travel may be dangerous, it may be necessary to either close early, or not open. The school may also need to close if there is a severe disruption to services (i.e. no water, no heating in cold weather).

Guidance

In the event of the school needing to close early, or not open, parents will be informed in the following ways:

- On the school website (<http://www.braunstonprimary.com>) and through Facebook.
- On the Northamptonshire County Council website school closure page (www.northamptonshire.gov.uk).
- On Heart FM and BBC Radio Northampton (who broadcast information from the NCC website).

Whenever possible, the school office will be manned, but please be aware that telephone lines may be busy.
